Hi! My name is Christine Cherubin, and I am from Quincy, Florida. I completed my bachelor's degree in English Education at PCC and am currently working towards my master's in Speech Education. I developed an interest in missions at a young age. While I have never traveled outside of the country, in the summer of 2021 I was given the opportunity to teach English to children online through a ministry called Bring Me Hope. I am very excited to be traveling with our team to The Philippines this summer! Please pray that God will use us to be a blessing to the missionaries there and to share the gospel with those who are seeking the truth.

Kamusta! My name is Eyla Dayrit. I am a graduating senior studying Pre-Pharmacy at PCC. I am from San Diego, California, and one of the things I love to do is travel around the world and learn the cultures. I have traveled on a medical missions trip and have worked as a counselor at a camp in North Carolina. Those two summers made me realize that serving in different countries and ministering to people is what I really love and enjoy. The Philippines is really near and dear to my heart and I look forward to God using me this summer.

Youth Ministry with a Church Music emphasis and a minor in Missions. My hobbies range anywhere from music to hiking to doing chores around the farm.
